Fidelity Health Services

HANDLING OF AD-HOC REPORTS

GOAL

To deliver more than 107+ aggregate reports in a very stringent timeline of 02 months with a strict quality parameter during COVID pandemic time.

DETAILS

Fidelity Health Services (FHS) was awarded with an ad-hoc project for the preparation of 107+ aggregate reports within a short span of 02 months during the COID-19 pandemic. ICH E2C R1 and R2 format PSURs were required to be authored, quality reviewed and finalized with a stringent quality criterion without hampering the current project deliverables.
